Upon compliance with said policies, including payment of a membership fee, the applicant qualifies for membership as a transferee and thereby may hereinafter be called a member.

The member shall pay the corporation for service hereunder as determined by the corporation's tariff and upon the terms and conditions set forth therein. A copy of this agreement shall be executed before service may be provided to the applicant.

The board of directors shall have the authority to discontinue service and cancel the membership of any member not complying with any policy or not paying any utility fees or charges as required by the corporation's published rates, fees, and conditions of service. At any time service is discontinued, terminated, or suspended, the corporation shall not re-establish service unless it has a current, signed copy of this agreement.

The water shall be metered by meters to be furnished and installed by the corporation. This meter connection is for the sole use of the member or customer and is to provide service to only one dwelling or only one business. Extension of pipe(s) to transfer utility service from one property to another, to share, resell, or sub-meter water to any other person, dwellings, businesses, or property, etc., is prohibited.

The corporation shall have the right to locate a water service meter and the pipe necessary to connect the meter on the property at a point to be chosen by the corporation, and shall have access to its property and equipment located upon member's premises at all reasonable and necessary times for any purpose connected with or in the furtherance of its business operations, and upon discontinuance of service, the corporation shall have the right to remove any of its equipment from the member's property.
